Message From Directors

BHARGAV SHAH

DIRECTOR (UK)

Till now, we have helped over 4000 students turn their life around with the best career choice in top universities. Within the next year, we aim towards helping more than 10,000 students realize their dream and help them achieve it. With our honesty, commitment, and valued guidance, we hope to help students make the best career.

We are dedicated to offering the best quality of the solution to students seeking higher education abroad. With the help of our vast experience and expertise, we are capable of finding the most suitable place for every student.

"Sagar Consultants continues to grow everyday thanks to the confidence our clients have in us."

Kautuk Shah, Director of Sagar Consultants have lived, worked & studied abroad & specialized training at various universities around the globe. Kautuk Shah has a wide portfolio of reputed international institutions & works closely with several organizations, high commissions & education bodies.

Sagar Consultants is India's Leading Overseas Education Consultancy & has helped thousands of students achieve their dreams.

"Sagar Consultants continues to grow everyday thanks to the confidence our clients have in us."

KAUTUK SHAH

DIRECTOR (INDIA)

About Us

OUR REAL COMMITMENT REACHES BEYOND VISA & COACHING.

Sagar Consultants is regarded as one of the oldest Foreign Education Consultants functional since 2007, based in Vadodara, Gujarat. We assist students looking for a qualification outside India to improve their career within the competitive global market. Students are constantly looking for new skill sets to acquire to learn and grow by studying overseas. Our efficient consultancy service makes the whole process of applying to foreign universities very simplified. We are here to guide students at every step of the application process to get the best for themselves.

Education holds the key to everything in life. We work hard to ensure utmost care to our students in guiding them on the right path to build the perfect career. We provide global admission guidance, from countries like UK, USA, Canada, Australia, Europe, New Zealand, Africa etc. We offer options for more than a thousand courses along with over 200 university tie-ups. With our experience of 11+ years, we provide expert solutions to prepare students to make a smooth transition to their choice of course and country.

OUR MISSION

Our only mission is to help students achieve their dream of being on the global stage. To make the student's career aspirations come true, we provide our expertise and experience.

We, at Sagar Consultants, work hard to sew the best future for students with our strict dedication to our vision. Our mission lies in the simple fact to help students land in top universities with scholarships. Students can come onboard with us to build a successful career in their field of interest. Our excellence and experience in the field of education to resolve every issue on the path of the student's future in abroad. A team of qualified professionals can guide them at every step of their way. Our guidance will help students get into the top and most reputed university to start building a bright future.

OUR VISION

We aspire to offer valuable insights with our extensive experience in the revolutionary realm of education. The educational hub is broad on the global level, making the right choice can be troubling at times. Education always remains to be the primary catalyst in deciding the right career path. Education comprises an ocean's worth of knowledge and acquired skills. This helps students to become the ultimate citizen of the world. International hubs of education always stand to be one of the revolutionary prospects of a student's career.

OUR AIM

Till now, we have helped over 4000 students turn their life around with the best career choice in top universities. Within the next year, we aim towards helping more than 10,000 students realize their dream and help them achieve it. With our honesty, commitment, and valued guidance, we hope to help students make the best career.

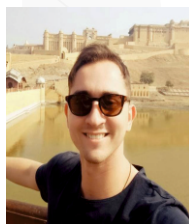

Why Sagar?

"I have worked with Sagar Consultants for three years and they are one of our top agent partners. Both Bhargav and Kautuk have visited London several times to visit the campus to really get to know what makes St Mary's different from other universities in London. I have found Sagar Consultants to be highly professional when counselling students, advising them about which is the right course and university for their long term career. It is a pleasure to work with them and I am delighted that they are opening a new office in Anand which is testament to their commitment to long term relationships with students and university partners."

Dr. Robert Duncan

Regional Manager - South Asia - St Mary's University, London

"We are greatly thankful to SAGAR Consultants for their invaluable guidance and support to achieve our goal in the Indian Market. We experienced that team members are very professionals and competent in dealing with a difficult situation. So If anyone has the dream to study abroad then this is the best ever consultants for student's bright future."

Steve Hird

Student Recruitment Manager South Asia

"The University has been working closely with Sagar Consultants for 3 years and has found the staff to be extremely professional. Their knowledge of the UK Education market is extensive and they provide excellent guidance for students looking to study in the UK. Our students have been extremely satisfied with their services."

Upasana Sachdeva

Regional Head Middlesex University London

"The University of Worcester have been working with Sagar Consultants for few years. Together we have grown leaps and bounds. Sagar Consultants' expertise, network and management has been the key part of the success!"

Anand Patil

Regional Manager University of Worcester

"We have been working with Sagar Consultants for many years. Mr Bhargav Shah and Mr Kautuk Shah personal and professional approach has helped many students achieve their study abroad goals. The support and guidance they provide students is of an exceptionally high standard, working with the University, to ensure students succeed in their studies in the UK."

Amol Varpe

International Recruitment University of the East London

"It's been a pleasure working with Sagar Consultants and their team. The team is so professional, knowledgeable, and truly advise with the best for their students. Throughout our cooperation with Sagar Consultants, they have been very responsible and dedicated to helping students achieve their education goals."

Dhanya Thomas

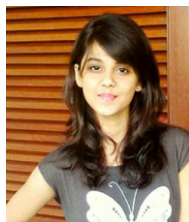

Recruitment Adviser University of Portsmouth

"My mentor guided me for admissions in UK; He had a very helpful and cordial approach. I was confused earlier but he gave me enough choices according to my desired interest and profile."

Lubhna Haji

Student at University of Plymouth

"I had an Excellent experience! Got my visa without much efforts from my side. Sagar Consultants and team took care of it all. Very friendly staff who are very much accessible and who were spontaneous in responding to my queries."

Durva Panchal

Student at Middlesex University

"I will give a huge star rating to Sagar Consultants and will encourage all my friends and those who are reading this review to approach Sagar Consultants if you have plans to study abroad."

Akshay Patel

University of Bedfordshire

"I have always wanted big in my life. Getting in world class institution was something on top of my "Things to-do" list, **SAGAR CONSULTANTS** made it very convenient and shaped a new exciting phase in my life towards high success."

Chandresh Patel

Student at University of Portsmouth

Study In UK

REASONS TO CHOOSE UK

- World Class Education
- Affordable tuition Fees*
- Guaranteed Scholarships*
- University Education
- 1 Year Masters Degree
- Work Placement Options
- Fees as low as 6 Lacs*
- 4 among top 10 Universities in world are from UK

Study In Canada

ABOUT CANADA

Canada is a country in the northern half of North America. It has ten provinces & three territories extend from the Atlantic Ocean, Pacific Ocean from West, and northward into Arctic Ocean, lowering 9.98 millions square km, making it the world's second largest country by total area and the fourth largest country by land area. Canada's border with USA is the world's largest land border, Canada is sparsely populated. The majority of Canada has a cold winter climate but southern are warm in summer.

WHY STUDY IN CANADA

Canada has world class universities, which are known for their high quality and excellence in academic standards and are consistently ranked among the top universities internationally. Canada's quality of education and standard of living are among lives in the world. The cost of living and tuition fees are generally lower than in other countries such as USA & UK.

International students have the opportunity to work during studies & after they graduate University Graduates may also be eligible to apply for PR in Canada.

Canada spends about 5.5% of its GBP on Education.

Study In USA

STUDY IN USA

USA is a federal republic composed of 50 states, the federal district of Washington D.C. five major self-governing territories and various possessions. Washington D.C has been the capital of the US since 1800.

WHY STUDY IN USA

US is perfect choice for higher education. You can get the opportunity to earn while you learn, when you enrol into an MS/PHD program. Your research grant will help support your personal needs waiving your tuition and providing you with a stipend, while the intellectual challenges that you will overcome academically will certainly help satisfy your professional appetite.

US education is recognized all over the world. 30 of the top 100 best world universities, are located in the US, as ranked by Quacquarelli Symonds world University Rankings for 2015/16. One of the reasons students at US universities are so successful upon graduation is because they were educated in the liberal arts. This means a focus, not just on a specific major, but on other subjects such as various maths & sciences, philosophy, history and literature.

Study In Europe

ABOUT EUROPE

Europe is a continent. It is the western part of Eurasia. Europe is surrounded by water on three sides. There are more than 50 countries in Europe. There are various regions of Europe namely Eastern Europe, Central Europe, Western Europe, Northern Europe, Southern Europe and Southeastern Europe.

The European Union is a confederation of 28 European Countries. These countries agree to follow common laws so that their citizens can move and trade in EU countries almost the same as they do in their own.

WHY STUDY IN EUROPE

Most of the countries offers admission without IELTS or PTE or TOEFL. Also students gets chance to work in the same country after completion of a degree and also post study work options. It has a flexible education system, Schengen Visa ensures access to all 26 European countries.

European universities offer huge scope for experimentation, switching multiple courses, and even design custom course structure. Students can earn while they learn even before they complete the course, since most universities encourage students to work even when they study up to 20 hours a week during semesters, and even full time during their breaks & holidays. Students get exposure while learning and working abroad, which adds character to the resume while applying for jobs in India or elsewhere.

Study In Australia

STUDY IN AUSTRALIA

Australia is the world's sixth-largest country by total area. It is a developed country & one of the wealthiest in the world with the world's 12th largest economy. Australia has one of the world's lowest population densities, its size is only bit smaller than the USA yet the population is only around 23 million. Australian universities feature in the Top 50 universities in the world. Australia is the 3rd most student destination for international students after USA & UK. It has always been a popular higher education destination for international students with its strong infrastructure & high standards of life. Australian government invests close to A\$200 million per annum on international scholarships.

In Australia, the education cost depends on the Institution one opts to study at the level of qualification.

Approximate cost of study in Australia is indicated as below:

- Undergraduate Degree – A\$17000 to A\$36000*
- Postgraduate Degree – A\$19000 to A\$40000*
- Masters by Research – A\$20000 to A\$41000*
- Doctoral Degree – A\$21000 to A\$39000*

Australia also offers post-study work Visa which allows student to live, work, travel in Australia between 2 to 4 years with minimum base salary of 18.93 A\$ effective from 1st July 2019.

Study In New Zealand

STUDY IN NEW ZEALAND

New Zealand is an island nation in the South western Pacific Ocean. The country geographically comprises two main landmasses- South Island & North Island. Official language is English. Wellington is a capital city with Auckland as its economic zone. New Zealand has an adult literacy rate of 99 percent. 13 school years & attending state schools is free to New Zealand citizens and permanent residents.

WHY STUDY IN NEW ZEALAND

The New Zealand Government is investing heavily in its education sector with projections of international enrolments increasing by 2025. 7 of the 8 university in New Zealand is among Top 500 Universities are on the world.

New Zealand offers up to 3 years of Post study Work Visa where students can earn minimum wages of \$17.70 with effective 1st April 2019.

That is why New Zealand is among hot favourite study destination for international students.
